

Alpe Adria Triathlon Cup 2010

1. Preamble

The Alpe-Adria Triathlon Cup ("AATC") was signed on 28 May 2008 by Dott. Enrich Tion (Friuli-Venezia-Giulia), Miro Kregar (Slovenia) and Ingo. Hannes Buerger (Carinthia) in Udine. Triathletes of all ages from the Alpe-Adria-region should have the opportunity to meet in a peaceful sporting competition to be measured and for the relationships between them to improve. In the first two years, only the events of the founders of the "AATC" are rated. In the third year also other member countries and organizers from the Alpe-Adria space can advertise for their application (until by 1 October this year). In future a maximum of two sporting events (except junior and veterans will be rated separately) from each member country of the "AATC" can participate. The three founding members decide on an extension of the "AATC".
